

Make Yourself At Home

(Alexandre PARENT - Stéphane LEULIER - 2012)

I felt so much pressure on me
That I couldn't see you were suffering
Facing your defenses, true fences
Outta breath I had to stop fighting

Please forgive me cause I went blind
Come back in so I can see the light

Make yourself at home
Take my chair and sit on it
Act like I was gone
Think about your benefit
Seize your gain not your pain
Try and behave with me as if
I had not gone wrong

You've made a stranger out of me
Never minding how nice I have been
Weird decision I must admit
Out of my sight you can't stop smiling
