

Praise Your Way

(Alexandre PARENT - Stéphane LEULIER - 2012)

A wife and a sweet house
Maybe one child or two
Will make you a man
Or will conceal the true you

No pleasure sign on a highway
Find your place between tomorrow and yesterday

Praise your way
No matter where you're gone
Get rid of your poisonous breeding

Embrace your fate
Engrave on your own stone
Get rich of all passengers' feelings

You act like it's twilight time
When it's only the dawn
Of a complex life
Who claims to have an easy one ?

No treasure sign out of your way
On your trace, I'll follow you any day
